UPFRONT BUSINESS AS USUAL

What's new about this issue of *The Girls of Penthouse*? Nothing, really. It still contains the hottest layouts of the world's most beautiful women, a few laughs here and there and the kind of adult entertainment you've come to expect from the Penthouse brand for decades. If you want a f'rinstance, check out this issue's fabulous cover girl **Tasha Reign** in the feature pictorial **Make It Reign!** (page 42). Then meet **Anna Lee**, one of the sexiest starlets you're likely to see in porn today, in the high-flyin' spread **High Rise** (page 16). Speaking of beautiful spreads, our good friend, the legendary **Nina Hartley**, shows off some **Class With Ass** while seducing a young stud (page 34). So you see, it's really business as usual in the world of *Girls of Penthouse* — and we wouldn't have it any other way. Enjoy! — *The Editors*

Sexy as Sin

Add Layla Sin to the list of sex stars jumping off the pages of *Penthouse* and landing into your friendly hands, as the super vixen has been molded for your pleasure into a one-of-a-kind collectable double-sided stroker. The beautiful Miss Sin is looking forward to the fans having their way with her whenever they please. "I loved having my pussy and ass molded. I kept picturing my fans from all over the world looking at my photos while playing with my toy and it turned me on no end," said Layla. The exotic beauty also thought they'd make excellent break-up gifts. "I had this great idea to give my vibrating cyberskin pussy and ass to the men I've dated, but who didn't quite make the cut, as sort of a consolation prize! I'd say, 'Hey I'm sorry I can't see you anymore, but here's something to remember me by!'" Fans and ex-boyfriends can purchase The Pet Collection of double-sided strokers at www.PenthouseStore.com.

Titty Tuesday in Times Square

Nikki Benz and Alexis Texas made national news when they decided to do a Times Square Titty Tuesday Walk as a statement of sexual equality (and because it's fun and legal in New York City). The beautiful pair caused quite a commotion — not just among fans but among plenty of Big Apple press, including reporters from Fox News, TMZ and Anthony Cumia of *The Anthony Cumia Show*. Beefy bodyguards in tow, the dynamic duo stopped for autographs and photographs while declaring it was high time that women Free the Nipple. "I was definitely nervous before show time," said Nikki, "but when a policeman who heard about us doing this high-fived me on the street, I knew that we were doing the right thing." Nikki and Alexis hope to hop from city to city wherever topless women in the streets are legal and welcome.

Back in the Saddle Again

We couldn't have been happier when Brett Rossi broke the news on Sam Phillips' show *The Single Life* that she was returning to the adult industry. "It was just like riding a bike," says Brett. "You never forget! I missed shooting a lot and honestly the 'mainstream' world can be a bit boring for me." Aside from movies and magazines, the pretty blonde will also be back on the road feature dancing in clubs all over the country. "I'll enjoy that the most. I always loved my live stage shows and meeting my fans in person. It'll be such a pleasure to be able to reach out and say thank you for everyone's loyalty and support." Keep an eye out for when Brett comes to your town!

Kelly Takes Manhattan

Being the first plus-size model in *Penthouse* has its perks, like everyone wanting to meet you, so Kelly Shibari did a week-long media tour of New York City to promote her issue, giving a dozen interviews to outlets including Sirius XM's *The All Out Show* and *The Sam Roberts Show*; *The Luis Jimenez Show*; and Huffington Post. Her week doing the town culminated in a big bash at hot new Jersey City club Transmission, where they created a cocktail especially for her: The Shibari Star. "It's an amazing feeling," Kelly says. "Being in *Penthouse* was on my professional bucket list! It's certainly a wonderful achievement that will be hard to top!"

New Sensations

Capricious Living

After laying low for a spell, one of the prettiest ladies to hit the pages of *Penthouse*, Capri Anderson, met her adoring public at Headquarters Gentlemen's Club in Manhattan and told us where she's been for the last year. "I've been working as a nanny in New York City," she told us. "My sister needed some help and instead of hiring a stranger she asked if I'd be interested in the job. I love children — especially my niece and nephew — so I jumped at the chance to switch gears and get domestic." Not to worry: Capri has started shooting again and still loves turning the world on with her smile, as well as her other assets. "I've been doing some nude and pin-up modeling again. I don't think I'll ever stop completely. It'll always be my passion."

SECRET SPA

(Adam & Eve) Dir.: Jay Allan

A spa specializing in all manner of sensual relaxation is the setting for this couples-friendly piece of erotica. Extremely sexy Penthouse Pet Misty Stone starts the show off with a massage session that turns into so much more (meaning of course, cunnilingus, some fine, fine fellatio and a fucking that maintains a steady pace until its ass-glazing climax). Her performance alone is enough to pick this one up, but you also get couplings with button-cute but nasty-as-sin Dillion Harper (hooking up with Miko Dai in a good girl-girler), and Penny Pax getting dicked by Chad White. Cover girl and recent Pet Aidra Fox gets double-teamed in a hot threesome; she really lets her dirty side come out getting fucked from behind while she sucks cock. Raunchy as this is, you could share it with a lady friend for a fun, fun night.

LOVE, ANONYMOUS

(Adam & Eve) Dir.: Skye Blue

This slick little flick has an exceedingly clever storyline offering a nice twist on *Cyrano de Bergerac* and great sexual performances from Britney Amber, Jade Nile, Bianca Breeze and MILF of the Moment Julia Ann. Julia does a pair of hot scenes with a pair of hot studs; Ryan McLane finds himself on the business end of a tasty blowjob before getting down to the business of pumping her pussy, while a young and studly Tyler Nixon lives out everyone's catching-a-cougar fantasy. Julia's restrained romps offer a nice counterpoint to the other ladies to give the viewer a sexy and satisfying erotic experience.

THE BEST OF TAMMY SANDS 3

(Girlfriends Films) Dir.: Tammy Sands

Holy crap. Fans of Penthouse Pets getting their dyke on (and off) can thank us now for hipping them to this mighty fine greatest hits package focusing on the work of photographer/director Tammy Sands. Celeste Star, Georgia Jones, Alexis Ford, Bree Daniels, Dani Daniels, Lela Star, Angela Sommers, Samantha Saint . . . you could ask for more PSI (Pets per Square Inch) but you'd only show yourself to be a greedy bastard. The action here is beautifully shot and smoking hot, so stop wasting time reading this brilliantly written review and pop this in your player of choice. Although checking out the one-scene-at-a-time scene selection menu is highly annoying, the payoff more than makes up for it.

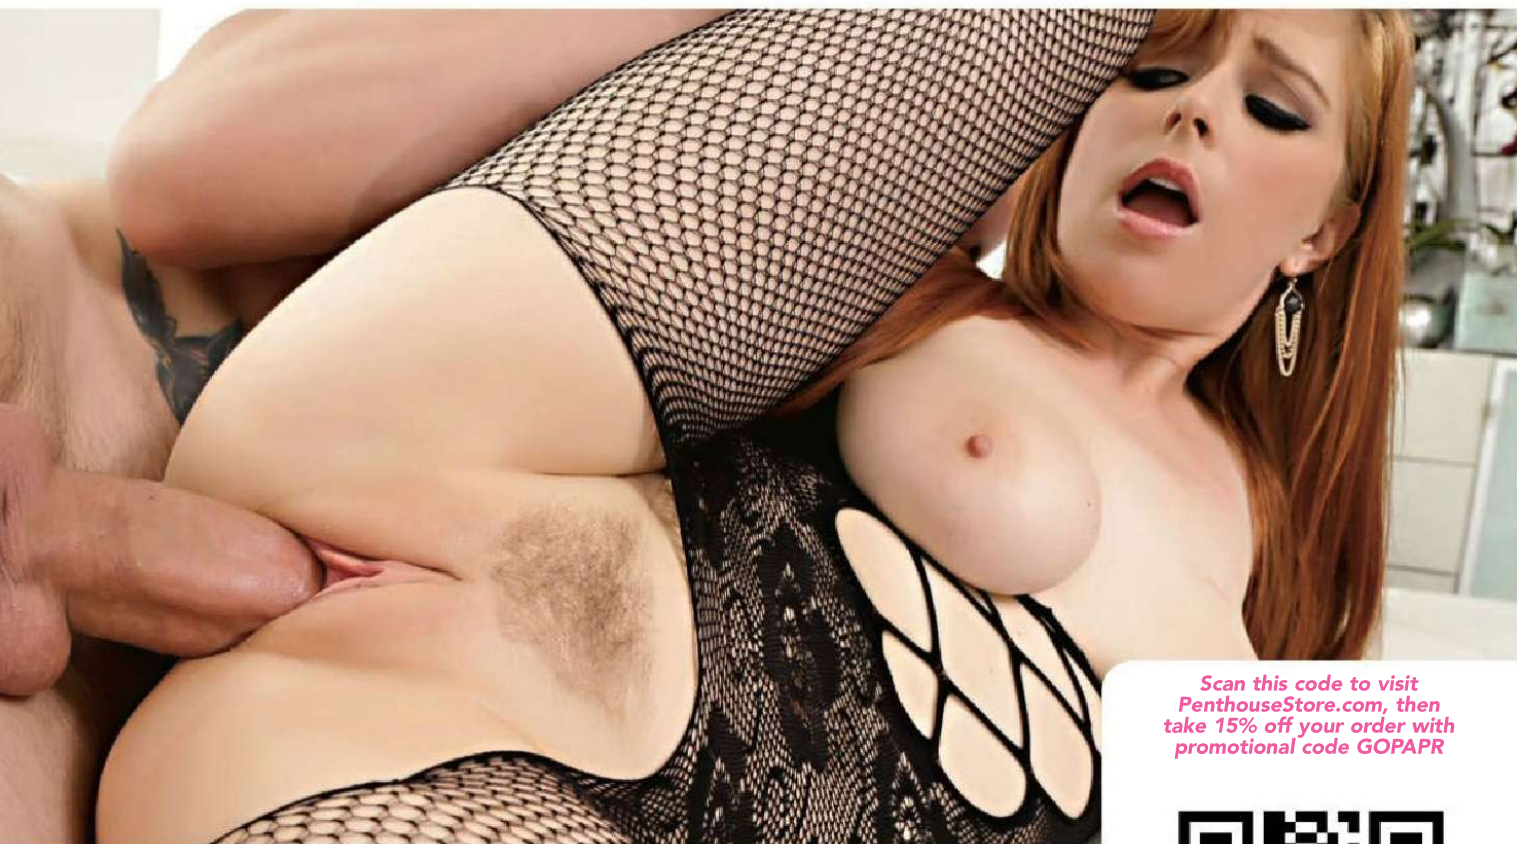

SHE'S FULL/FILLED

(Digital Sin) Dir.: Danny Case

A deliriously happy Veronica Avluv gets things off to a mighty start filling her puss with a dildo as thick as a beer can — and twice as long — before shoving it up her ass . . . and stuffing another one that's just as big into her cunt at the same time. Dahlia Sky, Penny Pax and Casey Calvert perform similar feats of what we will hereforth call prestivagation™, making all-gone with some of the largest dildos you're likely to see. It's almost anti-climactic when porn studs like Mr. Pete and James Deen are added to the mix, but if a one-man double vag is your idea of a double date, this disk is for you. A hot, hot show, but not for the easily intimidated.
